She asks to stab them with a cutter.

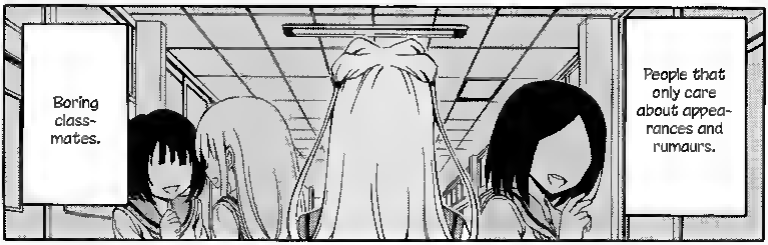
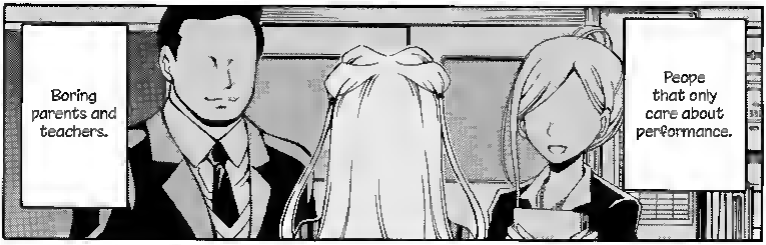
Using words of convenience like I'm fine with being friends.
I've been confessed to five times. By refusing this way, they would never dare come near me again.



Boring classmates.
People that only care about appearances and rumours.



Boring parents and teachers.
People that only care about performance.

The boring world.
Lastly,
Not being able to see the value of living.

not being able to run away from these boring things,

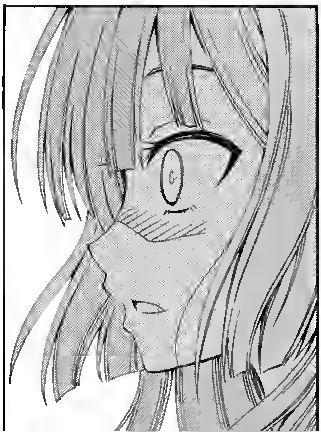
A bad spirit acting as a human.
As if she was *something else*, not a human.
I could feel the hollow darkness in her smile.



CLENCH

KUWASHI .. NO, KUSABI-SAN.

'I've met an interesting existence.'
Seeing her, for the first time, I thought...
